SUB-CREATOR PAID

FREE GUIDE · KEYWORD START

Earn with 0 followers

5 income streams with no follower minimum, the pay and the catch

1. UGC (user-generated content)

- Brands pay for videos they run as their own ads.
- Pay: beginners usually charge $50-$400 per video (Insense, Sep 2026).
- First step: film 3 sample videos with your phone.
- Catch: no brand says yes before it sees samples.

2. Amazon Associates

- Earn a commission when people buy through your links.
- Pay: most categories about 3-4.5%. Example: $40 item at 4.5% = about $1.80.
- Catch: 3 qualifying sales in your first 180 days or the account closes.

3. Etsy templates

- Sell digital templates; buyers find you through Etsy search.
- Pay: on a $10 sale you keep about $8.60 (US) after $0.20 listing, 6.5% transaction and ~3% + $0.25 payment fees.
- Catch: popular niches are crowded.

4. ElevenLabs Voice Library

- Share a Professional Voice Clone (Creator plan or above).
- Paid only when paying users use it, through Stripe, usually from a $10 balance.
- Catch: income depends on demand for your voice.

5. Fiverr gigs

- List a service (UGC, editing, voiceover).
- Fiverr keeps 20% of each order, including tips; 14-day clearance for new sellers.
- Catch: new gigs need reviews before orders come steadily.

Your next 3 steps

1. Pick ONE stream that fits what you enjoy.
2. Do its first step this week.
3. Try the free AI Income Finder on subcreatorpaid.com to see which fits you.

Tool for this: Fiverr
subcreatorpaid.com/go/fiverr (affiliate link: we may earn a commission at no cost to you)
