Amazon: which program?

Associates vs Influencer, side by side

Associates

- Links anywhere (site, bio, description).
- Most categories ~3-4.5%; example: $40 item at 4.5% = ~$1.80.
- 3 qualifying sales in the first 180 days or the account closes.

Influencer

- A storefront on Amazon with your picks and videos.
- No published follower minimum; Amazon reviews your account.
- Since 14 Apr 2026: onsite commission only on the exact promoted product.

Both

- US bank account + tax information.
- Rates vary by category; some were cut in 2026.

Your next 3 steps

1. Join Associates and make 3 links to products you use.
2. Film one honest product video.
3. Apply for Influencer after 5 product videos.

Tool for this: Amazon Associates
